## *Jim Scott*

*An engaging acoustic guitarist, singer, and composer of powerful music that furthers the ideals of ecology, justice, and peace, Jim makes an impact on hearts and minds. In his years as guitarist for the Paul Winter Consort, Jim led thousands in the song "Common Ground" and his own eco-anthem, "A Song For The Earth." He is co-composer of the Consort's monumental choral work, "Missa Gaia/Earth Mass". He has performed with Tracy Chapman, Joan Baez, Joni Mitchell, Jackson Brown, John Denver, and Odetta, and with First Church in Belmont's senior choir in its performance of Missa Gaia.*
